

HEAT COLLECTION FOR OUTDOORS LIVING

Introducing HEAT, a collection of outstanding high performance heat and grill clean burn stoves to transform and extend your outdoor living space.

MAKE OUTDOORS YOURS

Enjoy luxurious year round outdoor living on your terrace for entertaining or around your pool to take the chill off and extend your swimming season. There is a HEAT stove for every occasion.

CLEAN HEAT

- environmentally sound heating
- fully sealed chamber with minimal smoke emissions
- robust quality build, 10 year warranty

QUALITY COOKING EXPERIENCE

- developed along side Chef James Martin
- fully rotatable grill for different sized cuts of meat
- removable grill for wok cooking
- insulated lid reduced heat loss
- variable cooking modes
- self clean coatings

Your HEAT stove is delivered direct to your French address.
Just attach the flue, place in position and you are ready to go.
